MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Audit Staff Progress Report on Competitive Promotion Program

REFERENCE : Your Memorandum Dated 1 March 1957, Subject: Competitive Promotion Program

1. The Career Service Panel for the Audit Staff also serves as its Competitive Evaluation Panel. The members presently are:

25X1A9a

Audit Staff, Chairman
 , Assistant to Chief, Audit Staff
 Chief, Headquarters Audit Division
 Chief, Property and Contracts Audit Branch
 Chief, Proprietary Audits Branch
 Chief, General Audits Branch.

2. Because of the small size of the Audit Staff, there were no problems involved in implementing subject program. In fact, the Audit Staff's promotion policies and procedures for the past two years have closely paralleled the competitive promotion process outlined in [redacted] Guide for Competitive Evaluation Panels, released in November 1956.

3. On 26 February 1957 the Competitive Evaluation Panel considered promotional possibilities for each member of the Audit Staff who had been in grade the required length of time to be considered for promotion. Three promotions were recommended. In the other cases the Panel agreed that the persons considered either had not demonstrated sufficient capabilities to be promoted at that time or there were other pertinent reasons to defer promotion action.
